## index to Obituaries in the New Bedford Standard-Times.

1995

Compiled by Paul Cyr
Computerized by Robert Machado

All obituaries that appear in the <u>Standard-Times</u> are indexed. A funeral notice is indexed when it appears without an obituary. When a corrected obituary appears, it replaces the original obituary in the index.

Married women are listed under their married name and, in part 2, alphabetized by their maiden names.

All names begin with a capital letter to keep them in proper alphabetical order.

Nuns are listed under their sunames and under "Sister" with their religious names at the beginning of part 1.

The data was entered into the computer by Robert Machado with the assistance of Barbara J. Felix and Liz Machado of S.M.E.C., the Southeastern Massachusetts Education Collaborative.
